Self -Guided Blue Heron - Mine 18, Tube Rentals

Commented [ST1]: Put In Location

Get ready for an unforgettable adventure on the water with a self-guided tube ride on the breathtaking Big South Fork Cumberland River, starting at the historic Blue Heron, Mine 18, canoe put in!

This family-friendly adventure is the ultimate way to cap off exciting day of exploring the area's rich history.

Drift under the impressive tram that once transported coal for the Stearns Coal and Lumber Company, and feel the rush as you float through fun class I rapids!

And don't miss the thrill of conquering exhilarating class II rapid, Joe Shoals, or visit Devils Creek or just relax on Big Sandy Beach.

End your trip by dropping off your tube at the take-out point and you are finished. *Place the tube at the end of the path but not in the parking lot.*

Be the pro and bring snacks, water and Sun Screen!
